The Supervisors met at the School House in Lemont on June 9, 1959 at 7:30 O'clock P.M.

The following Supervisors were present, R. Clauser, L. Weaver & E. Williams. The Planning Commission reported they were getting a commercial ordinance in shape to present to the Supervisors soon.

There were several complaints pertaining to the Orchard road being so rough. We expect to start covering it with shale within the next week if weather permitting. Our road surfacing work for the summer is being advertised and the bids will be open on June 23, 1959 at 7:00 o'clock.

The roads are all in pretty good shape now. We have been patching black top for about a month now and we have them in real good shape. The board decided to have Mr. Gettis send letters to those people who haven't brought in plot plans to be approved by the Board. It was decided to give them 60 days to get them in. Some who haven't brought them in are, Rogers, Bill Everhart, Jay Stuble, Carpenter, Ross Daniel Lowder Bill Henzey.
