Fremont, Pa.
July 15, 1952 191

Supervisors met in the Schoolhouse at above place and date. Williams, Walters, and Lee were present.

Bids were opened as follows:

Central Paving Co. –	6200 gal. CE-1 asphalt	$1264.80
	220 T. 1B chips	481.80
	110 T. 2B chips	240.90
Neidigh Bros.	220T 1B chips	484.00
	110T 2B chips	242.00

Lee made motion to accept bid of Central Paving Co. to supply oil and stones, distributed on the roads as specified by the Supervisors. Work is to begin on Wednesday morning July 23, if possible. Central Paving is to supply needed equipment at rental rates.

The above amounts of materials may be increased to include the doing of work which J. K. Witherow, former State Engineer would not approve, but Mr. Hughes, present State engineer, will approve.

Motion by Williams, second by Walters to make a temporary loan at the First National Bank of State College, in amount up to $ This is to enable the Supervisors to pay the contractor before county and state funds are received.

On motion by Walters, Lee is to be granted a leave of absence for one year and Williams is to serve as secretary and treasurer. Seconded by Lee. This is to be effective August 1, 1952.

On motion by Williams and second by Lee, Walters is to serve as chairman.

By unanimous approval of the Board, during the year's absence of Lee, William Dreibelbis was named as a road master to be used

as often as needed in carrying out necessary work in the township. Dribbis pay is to be at the rate of 95¢ per hour during this period.

Adjournment.

Approved:

J. Marvin Lee
Secretary

Chairman
