Lemont Pa.
Nov. 10, 1959

The Supervisors met at the School House in Lemont on Nov. 10, 1959 at 7:30 o'clock P.M. The following Supervisors were present - Roy Clouser and S. Weaver. William was absent because he was in bed with the Flu. The information for these minutes were given to the secretary by Mr. Clouser the chairman. The only person present was Mrs. Maud Peters, she presented a plot plan to be approved by the Supervisors. The planning Commission had already approved the plans. The board received a petition from a group of Citizens of the Township pertaining to the road that goes from the Evergreen up over the hill to the new Football field. These people want the Supervisors to fix up the road that starts at the end of the new four lane highway and goes up over the college grounds & pass the College dump and come out by the new football field. So they can use it for a detour while they are putting in the Cloverleaf. The board decided not to do anything about it, it is not Township road and we can't spend Twp money on a road that don't belong to the Twp. If the Highway wants the people to use that road they will have to fix it up, we aren't. The secretary has received 100 copies of the Land Sub Division ordinance. It was reported that the snowfence is being put up and should soon be finished.

Approved: Roy Clouser
Chairman

Elwood G. Williams
Sec.
