Lemont, Pa.
June 5, 1956

The Supervisors met at the home of Lester Weaver on June 5, 1956 at 8:00 O'clock P.M. The following Supervisors were present, Weaver, Lee and Williams.

Lee reported the road work at Hanscroville was coming along fine and that the fill was about all in.

Lee is going to start the patching a grading of roads the beginning of the week. It was decided to use about $4000. of our State aid for road Construction this year.

Shook Terrace was discussed and it was decided to have Getting write him and tell him he will have to make that street wider thru Shook Terrace it is only 16' feet wide. Spotts & Struble have sold some lots in back of Spotts farm, neither of them have filed a plot plan with the Supervisors. The way Struble has the street laid out on his lot we will not approve it because there is two 98 turns within 35 feet of each other. The Secretary is to consult Getting on this matter.

The Supervisors decided to make a temporary transfer of $1200.00 from the Equip. Fund to the General Fund. The road over the hill from Buckenhorst to Struble was discussed and it was decided that since there was a good road into Buckenhorst by the way of W. Dinkelling that we would vacate the road over the hill. It was decided to take the necessary steps to vacate it. Neff at Oak Hall wants some grading done and it was decided to do it when Marvin gets over to Oak Hall to grade that road. Bitner in Klinger Heights ask about putting a wall in along his lawn to keep it from washing away. It was decided he could do it if he kept it on the property line or 7 or 8 feet from the road, but if he did put it 7 or 8 feet from road it would have to be with the understanding that if ever necessary he would have to remove it. This is to be in writing.

Approved:

Chairman Lester M. Weaver Elwood G. Williams
Sec.
