The Supervisors met at the home of C. S. Williams on Apr. 3, 1956 at 7:30 P.M. The following Supervisors were present, Weaver, Lee and Williams. The following men from Klinger Heights were also present; Mr. Stuart, Mr. Wheatly, Mr. Hayes and Mr. Hoffman. These men were at the meeting to discuss problem of numbering the Homes in Klinger Heights. The State College Post Office has requested the Homes be numbered in Klinger Heights for their mail delivery. There was quite a discussion. The men from Klinger Heights are going to purchase the street signs and number all the homes and vacant lots. Then they will give a copy of the plot plan to the Supervisors for in their files. Weaver was appointed to contact the Post Office and find out about all the other developments in the Twp. that are served out of the State College Post Office. ~~[illegible]~~ Weaver made a motion that we finally passed the budget for 1956, it was seconded by Lee, the motion was unanimously passed. Firing out of the grader was discussed since several people inquired about renting it for ~~[illegible]~~ road work. It was unanimously decided to charge $5.00 per hr with operator. It would have to be when the Supervisors have time and the grader is available. Weaver check on prices for the tool and found they are about the same everywhere, he was instructed to go ahead and get the as we needed them right a way. One daily Home was added to the list. Lee reported the road work progressing satisfactory. Lee reported the tools bar and shovel are ready for use. A weed sprayer was discussed, we decided maybe that would be the best way to keep the weeds down along the road right o-way. Lee was instructed to find out what one would cost and report the next meeting.
