Lemont, Pa.
Feb. 11, 1958

The Supervisors met at the School House in Lemont on Feb. 11, 1958 at 7:30 o'clock P.M. The following Supervisors were present, Ray Clouser, Lester Weaver and E. G. Williams. We have just completed our first big snow removed in years. We had all road in the Township open again by Monday evening Feb. 10, 1958. We hired a bulldozer from Wilson-Benner Inc. and a grader from Schreffler-Hay-Smith. We had a discussion on getting a big grader for the Township. It was decided that after the weather settled a little we would go to Harrisburg and look at some Graders. We have a water situation up at the Water Co. Reservoir on the Mountain Road, their overflow keeps running water out on the road and it freezes and makes an awful mess. The board decided to see the Water Co. about putting in a large pipe and taking it across the road where the ditch is larger. Lester Weaver made a motion and it was seconded by Clouser that we tentatively adopted the budget for 1958. Motion unimanously carried.

Approved: Lester Weaver
Chairman

E. G. Williams
Sec.
