Lemont, Pa.
March 28, 1949

College Twp. Supervisors met on above date at home of Elwood S. Williams, All members being present.

By unanimous agreement the board agreed to join the Penna. State Association of Township Supervisors for 1949 at a cost of $10.00.

The Centre County Canning Co. in reply to a request for information concerning the project of widening the road near Oak Hall and along the property of the canning company is to be notified that the project has been completed as contemplated.

The Board agreed to proceed with plans for the vacation of part of Route 333, from Oak Hall to intersection with State Route 322 and the Branch Road. Bob Reese of State College is to be contacted in regard to making of a draft of the road.

Walters made a motion to begin proceedings to vacate section of Route 361, from the Shearer property to the Wolford property.

Lee made motion to install culverts over driveways of certain properties along Route 357, in Boalsburg, the culverts being at least 15 feet by 15 inches. The culverts are to be paid for by the property owners, if they wish a pipe installed.

The large culvert pipe near Jas. Schreck property on Route 354 is to be lengthened rather than be replaced, preparatory to the building of new road there by the Susquehanna Paving Materials Co.
