The regular monthly meeting of the College Twp. supervisors was held on the above date, with a full attendance of board present. The minute of the meeting held Sept 5th were read and approved. The following business was taken up and discussed:

Forest Every will furnish slate for township roads, up to 50 truck loads at 40 cents per truck load, all over 50 truck loads to be at the rate of 50 ¢ per load.

Edward Williams will furnish all slate for mountain road free of charge and for other township roads at the rate of 35 cents per truck load.

The board decided to use slate from Edward Williams' bank.

The road foreman reported, that Harry Stover, was charging $1.15 per hr. for truck, and John Cable 80 cents per hour. The board authorized the foreman to hire truck from John Cable.

The Board authorized foreman to use slate and fill as needed, and to use own judgment in hiring what help is needed. The Board changed the wage for labor from 50 cents per hour to 40 ¢.

It was agreed that payroll would be paid weekly, and that foreman, is to have payroll O.K.ed by supervisors, before presenting for payment.

The Board decided to install 1-24 inch culvert on route #365 at Boal property, Houseville, and to make crossing 2 car width.

The following bills was O.K.ed for payment: Struble, Rhodes, and Auditor Zong $3.50 each for attending convention Oct 3, 39. Storage bill for grader from Oct 1, 38 to July 1, 39. $13.50 to Clyde I. Struble.
