Lemont, Pa.
Sept. 19, 1957

The Supervisors met at the home of E. G. Williams in Lemont on Sept. 19, 1957 at 7:00 o'clock A.M.
The following Supervisors were present, Lester Weaver and E. G. Williams; our coming fall work was discussed. It was decided by the board that we would try to fix up the road a little better between Houserville & Shiloh, it is pretty rough some places and there is a few church holes in it.
Mr. Garner is not well and is in the hospital at Lewistown for an operation, he probably won't be able to work for a long time. It was decided we would try and find someone else to do the work on the roads for us. Mrs Whitacre presented a petition to the board for a fire hydrant in her development and the Branch Road. It is almost 100% signed. The board decided to have the Water Co. to install the hydrant. The water Co. has a hydrant there to be installed when we give them the go ahead. We still owe Nitting Material Inc. $760.00 on our road work yet, we will finish paying him as soon as we get some tax money or our State aid check which is due around the 1st of Oct.

Approved: Lester M. Weaver
Chairman

E. G. Williams
