Lemont, Pa.
August 10, 1949

The Supervisors met in the School House at the above place and date. All were present.

In response to notices sent to property owners of Crofton Villa, Lemont, the following property owners were present:
Harry Bemer, Bruce Struble, William Sheaff, David Geese, James Campbell, Wilmer Geist, Reuben Houtz, Henry Bierman, Ralph Struble, E.W. Cullen, Robert Fishel, and Joseph Baird.

The property owners were told that the road through Crofton Villa would have to be repaired and drained, and that after this had been done the Supervisors would be willing to ordain it as Township road. This was for Maple Ave. Several persons stated that enough water gathered on Elm Street ~~ran~~ down Elm and thence down Maple that Elm should also be ordained as Township road and the drainage problem handled before it could satisfactorily be done on Maple Ave. After some discussion it was agreed to hold another meeting on August 17 and notify property owners on Elm Street also to be present with those along Maple Ave, at which time the matter would be more fully considered.
Meeting adjourned
