February 11, 1967

The Board of Supervisors of College Township met at 7:30 p.m. in the Municipal Building. All Board members were present.

Minutes of the January meeting were approved as read. The ~~Balance~~ expenditures in the Treasurer's report amounted to $5968.87. Motion was made by Mr. Williams and seconded by Mr. Levine that bills for the month of January be approved for payment.

After a brief outline, the 1967 budget was presented for approval in the amount of $297,402.88. Motion for its adoption was made by Mr. Williams and seconded by Mr. Weaver.

Under items of new business the Board recommended sending a letter to the Centre Regional Planning Commission expressing favor of the "far out" eastern bypass as contained in the Kendree and Shepherd Comprehensive Development Plan for the Centre Region.

Special reports were heard from the following groups:

Mrs. White of the College Area Park and Recreation Board asked for the consideration of College Township in the use and support of the Glenland Pool in cooperation with the local schools and surrounding townships. She requested support of the project in an amount of approximately $450. The Supervisors agreed in principle

February 14, 1967

on the basis of consideration by other townships and SCO and on the basis of the sum of money mentioned.

Mrs. Johns of the Transportation Committee, State College Area Chamber of Commerce, reported on the hopes of establishing a joint transportation center at a point near the center of business activity to handle busses, taxis, and parking facilities. This Committee has met with the Parking Authority to consider connecting a large parking structure with a transportation center. Mrs. Johns also mentioned the committee was looking at the possibility of a freight depot although the advisibility of this matter has not yet been determined.

Mr. William Frey, Chairman of the Board of Adjustment, reported on the action of his Board during the past year. A total of 102 requests for variances were handled in that period. The Board received the compliments of the Supervisors for the work of the past year.

Roger Granlund of the Planning Commission reported that plans have been received for a proposed store on the Myer tract and for the Dale Summit Development, meeting the deadline for consideration at their next official meeting.

Supervisors approved changing the April meeting date to April 11.

February 14, 1967

Lil Lower, Alpha Fire Chief and State Fire Marshall, reported the department is now in the process of inspecting all area fire hydrants and is mapping the location of these facilities. The fire department will submit a report to the Township when the survey and inspection is completed. This report was in reply to a request from the Supervisors for an inspection of the College Township facilities.

Dan Stearns was appointed to attend Boro meetings regarding plumbing and electrical codes.

Progress report was received from Mayor Long concerning Dog Law Enforcement in the Centre Region.

John Miller requested whether a building permit had yet been issued for the Dale Summit Kittany Mall. The request was discussed and Supervisors responded that the ordinance required request submission 20 days before an official meeting of the Planning Commission. March 7 is the earliest date the permit can be issued.

Meeting was adjourned at 9:00.

Lester M. Weaver
