Aug. 11 1955

The Supervisors met at the home of E. S. Williams on Aug. 11, 1955 at 7:00 o'clock P.M. The following Supervisors were present, Walters, Lee and Williams. The first order of business was checking over the Exoneration List for 1954. We found several that we didn't agree with. The secretary was instructed to get an explanation for them from the Tax Collector. Mr. Walters reported that Mr. Stearns had graded and stone the street that was petitioned to be taken over by the Twp. Mr. Walters said the street is in good shape now. The Supervisors have decided to go ahead and take it over. The secretary was instructed to have Mr. Gettig draw up a Resolution.

The petition for the Smelter development roads was present and discussed. The board decided to table it until next meeting night in Sept. So we could get more information on the no of lots sold and developed.

It was decided to paint all the bridges in the Twp two coats of paint. We also decided to repaint all signs in the Twp. The board unanimously decided to let Mr. Lee paint the signs for $3.00 a piece plus materials.

It was decided by the board to have Mr. Lee also make two "Watch Children" signs for the street thru Crofts Villa.
