May 27 1954

The Supervisors met at the home of R. C. Walters on May 27, 1954. The following Supervisors were present, R. C. Walters, J. M. Lee and E. G. Williams. A representive was present form Military Material. He showed us pictures of the making and laying of FB-1 surface and explained it to us. He explained the making & cost of FB-1 surface. Land for a Twp dump was discussed, The Supervisors had several places in mind but when they went to see the owners they weren't interested in selling. It was decided to keep on looking for a place. This summer road work was discussed and decided that we would advertise for bid soon so we could get the work done. It was decided that we would advertise for both CP-2 surface & FB-1 surface. The following people ~~were~~ are to be billed for Culvert pipe, stone etc. Hardy Murphy, Stahl. Hale, Shook, Hoots & Emmenhizer.
