The College Twp. Supervisors met in the School House at above place and date. All members Williams, Walters, + Lee were present.

Charles Jonas and Calvin C. Conklin were present. Mr. Conklin plans to build a house at Klinger Heights and wanted a culvert pipe over his private driveway. He was given the opportunity to buy a pipe and the Supervisors would install it at Township expense according to regular policy of the Supervisors.

Plans had been made to resurface roads as follows:

School Driveway for School District
Part of Klinger Heights
Near College Packing House + Orchards
Route 333 at Nittany Village.

Bids were received and opened as follows:

(1) Central Saving Co. – 6000 gal. C-1 asphalt @ 19¢ — $1140.00
(2) Neidigh Bros. – 220 tons stones @ $2.00 + $2.15 — 455.00

Motion by Lee, and seconded by Walters that these bids be accepted and work to begin on Aug. 28 or as soon after as possible.

Agreed to submit to R. Paul Campbell the list of 1949 taxes for Township Fire, Street Lights, and Fire Hydrants for collection on entering at Prothonotary's Office. The Treasurer's Office would not accept these for collection.

Agreed to have a man count traffic for several days on Route 333 back of Autosport and to have Campbell continue proceedings to vacate this piece of road.
