Nov. 7, 1951

College Twp Supervisors met at home of Secretary J. Marvin Lee. J. Marvin Lee and Robert C. Walters were present being the full board, Boyd Williams, Chairman, having died a few days previous to this date.

Discussed the matter of appointing a person to fill the vacancy for the unexpired term of Boyd Williams until Jan. 1, 1952. Final appointment was deferred until a later date.

By motion of J. M. Lee it was agreed to purchase 1000 feet of snow fence from O. W. Houts if it was available at this date. The fence is not to be delivered but Supervisors will pick it up there and erect it along the White Hall Road in College Twp.

The Secretary is to consult the Township Solicitor, R. Paul Campbell, on several matters as follows: (1) A petition has been recieved from property owners of Klinger Heights and along the State Highway north of this for fire hydrants. Ask Mr. Campbell if this should be a separate contract from that for the village of Lemont and also if there is a maximum ~~st~~rate for taxing the property owners for maintaining this service. (2) Due to the difficulty of hiring men to work on the road the question has arisen about hiring a man, Henry Tressler, aged 76. Ask Mr. Campbell if there is any restriction in the Workmen's Compensation law in regard to hiring a person of this age.

The Secretary read excerpts from the new Township Law pertaining to the work, Compensation, and powers of the Supervisors.

Adjournment.
