The Supervisors met at the School House on Feb. 16, 1956 at 7:00 o'clock P.M. The following Supervisors were present; Weaver, Lee and Williams.

Lee reported on the Summer road project. The Twp. Engineer went over the job and approved it. The culvert pipe has been ordered and will be on the job. Yeidigh Bros. are going to do the excavating and grading with their own equipment.

Lee reported on the State convention which he attended for two day. Secretary was instructed to check with the State College Post Office and get information on the street numbering & house numbering. After a short discussion the Supervisors decided to drop the Trailer Tax this year since the assessor raised the property owners assessment $250. per Trailer. There were two women present from the P.T.A. to discuss the foot walk from Moal Store to the School House Drive. The two women present were Mrs. Daniels & Mrs. Fitzgerald. There was quite a discussion on the foot walk and it was decided to wait until the next meeting when we would have more information on the cost of it and what the people of the Township as a whole thought of it. The P.T.A. is to suggest to get a petition and cover the whole Twp. Our road project at Houserville will cost approx. $7500.
