The regular monthly meeting of the board of Supervisors was held on the aforesaid date. All members of the board were present.

The minutes of the meeting held Oct 7th were read and approved.

The secretary reported that the School Board would like to have permission to place their shelter, used for the school children and now located along old road from Merle Homans to Branch Road, along township road running from ~~[illegible]~~ State route # 322 to Pap Hall. This permission was granted, providing the supervisors would not be held liable for ~~any~~ damage of any kind.

At the request of the board of supervisors the Auditors and assessor for college Township met with the board to discuss the matter of continuing the surveying of line between Harris & College Township, in order to establish a definite line. After some discussion, all those present, Mr. Elmer Ross, Clifford Conman, Auditors, Samuel Everhart assessor, and ~~[illegible]~~ board of supervisors, agreed to the continuing of this work with the stipulation that the Supervisors of Harris township be asked to join in with this work.
