Lemont, Pa.

Oct 5 1942

The regular monthly meeting of the College Township Supervisors was held Oct 5 in the Consolidated School, Lemont at 8 P.M. A full board was in attendance. The minutes of the regular meeting held Aug 3, 1942, were read and approved.

The Board authorized the secretary to order the necessary materials to repair Township bridge at the Hartz farm.

A letter which was sent to the board, through their attorney P. Paul Campbell from Attorney Willard, relative to various conditions along road, known as mountain street, in the village of Lemont, from route #45 to the Methodist church, was read and discussed. This complaint was made by Mr. Frank Whitehill through attorney Willard. The Board's action on this letter was that this road would be put in shape for traffic, as soon as conditions permitted working on it. As to the ditch in front of Mr. Whitehill's residence, the board felt that nothing more than has been done, and that is the building of a stone wall, to keep the water from washing Mr. Whitehill's yard away, and the construction of guard rail for the protection of traffic.

Bulletin #96 Sept 1st Payment was presented to the Board.

Meeting adjourned 9:30 o'clock P.M.
