The Supervisors met in the schoolhouse at above place and date. All members were present.

The subject of an ordinance levying an amusement tax was discussed and a number of suggestions were made. The secretary was empowered to arrange with the solicitor to draw up an ordinance to be passed, and to make other necessary arrangements.

An ordinance regulating junk yards and other nuisances was discussed. It was tabled until a petition signed by at least twenty five property owners is presented asking for such action.

An ordinance and necessary forms for requiring approval of real estate lot developments and controlling the improvement of them and the building of roads for them was discussed. A sample of forms and ordinance used by a township in Delaware County was examined and was agreed upon as a basis. The secretary was empowered to have the solicitor draw up the necessary ordinance and forms and to make any other necessary arrangements.

Two petitions for approval of fire plugs were presented and approved, one plug along the road to Houserville along land owned by J. H. Mitchell and one in Spring View.

Adjournment.
