Lemont Pa.
Aug 4th 1944

The regular monthly meeting of the College Township Supervisors was held Aug 4th at 7:30 P.M. (D.L.T.) Members present, Clyde I. Stubb and Charles F. Rhodes. The minutes of the meeting held July 7th, were read and approved as read.

The Board authorized the secretary to write Bruce C. Stubb, advising him that the culverts, placed along township road in front of his buildings, were not the property of the township, and he could do as he wished with them.

The secretary reports that Mr. Vaughn Williams, who lives along South Allen Street, but outside of Borough limits, has requested the Supervisors of College Township, to talk up again with the State College Water Company, the possibility of placing a water hydrant for the fire protection of their homes in the district. The Secretary was authorized to take the matter up with the proper authorities.

The Board authorized the secretary to write Mr Bailey, Township engineer for State Highway, requesting his ~~[illegible]~~ presence at a meeting, with Mr Frank Whitehill relative to work to be done on township road running by Mr Whitehill's property. Said meeting to be at the convenience of Mr Whitehill and Mr Bailey.

A Resolution authorizing supervisors to execute agreement with West Penn Power Company for street lighting service in the Village of Lemont was duly adopted.
