Lemont Pa.

Jan 28 1953

The Supervisors met at the home of E. G. Williams. Williams and Walters present. The Board reorganized as follows - R. C. Walters Chairman and E. G. Williams Sec Treas and R. Paul Campbell Solicitor. Special projects for Road Improvement during 1953 were agreed upon. Route 257 from Railroad to Methodist Church is to be constructed with a CP 2 surface, putting in as much base as is necessary. Merry Hill Road a CP 2 surface, necessary ditching and culvert. The Road from the Methodist Church to Railroad track at J. T. Shirey CP 2 Surface and putting in as much base as is necessary. A CP 2 Surface on part of Bathgate Springs. On motion by Walters and second by Williams Merry Hill Road according to petition of property owners of that community, was accepted and made a part of the College Twp. road system. Attorney Campbell is to complete legal aspects of the matter. Motion passed. Discussed Amusement Tax, make arrangement to meet with Campbell soon on matter. The average at the Drive In is 600 cars. Approve Installation of 2 Fire Bldgs, 1 at Mrs Gibbons Development and 1 at Steam Development. Decide to go ahead and put in culvert pipe at Gibbons Development. West Bern never moved light poles on Crafton Ville Road. Sec instructed to have them moved poles.

Approved: R. C. Walters
Chairman

E. Lloyd G. Williams
