The Supervisors met at the School House on Jan. 5, 1956 at 7:30 P.M. The following Supervisors were present, Lee, Weaver and Williams. The first order of business was elected officers for 1956. The officers were filled as follows. Chairman: Lester Weaver — Sec. Treas. E. G. Williams Solicitors Munson Getty — Roadmaster, Lee, Weaver and Williams. All three Supervisors were in favor of getting R. C. Walters for road foreman if he will take the job. It was unimanously decided by the Supervisors that we would pay him $1.75 per hr. It was decided that the foreman should attend the meeting, his pay for the meeting will be decided after consulting him. The meeting night for 1956 will be the first Tuesday of each month. By unanimous decision of the board we will reenact the Amusement Tax for 1956. The following Tax rates were set for 1956: — General 7 Mills — Equipment 2 Mills — Amusement Tax 5% — Street Light, 7¢ per front foot — Fire Hydrant 3¢ per front foot. It was decided that if any question came up for the foreman between meeting, he is responsible to J. Mein Lee. The Trailer Tax was discussed and decided to table until next meeting and have J. H. Mitchell attend. Next Summer road work was discussed, the board decided to resurface the lower street in Klinger Heights and one street in Bathgate Springs. It will cost approx. $200. It was decided to build and black top as much as we can the road from the bridge in Houseville to Shiloh Church, it would be approx down to Struble's Farm. We decided to do as much of it as we can this winter while the Equipment Rental is cheaper. Lee was given authority to go ahead and stake out road and take the necessary steps to get it under way.
