Houserville Pa.

Dec. 28 1944

Supervisors met on above date at the home of the Secretary J. Marvin Lee.

All members were present. Chas. Rhodes, the tax collector met with the board and presented the matter of the rate of commission for collecting the road tax. Mr. Rhodes stated that it is necessary to write about 500 receipts for about $800 and also that surrounding districts are paying 570. The supervisors agreed to pay this rate and Mr. Rhodes stated that if any surcharge were made to the supervisors for the difference between 270 and 570, he would refund this amount to the supervisors.

A letter from the commissioners was read in regard to billing the township for services before the passing of the institutional tax law. The matter was set aside until further study to find if it is legal to pay this from the general fund and what disposition was made of the fund balance when the Poor Board was dissolved.
