Lemont, Pa.
Dec. 11, 1956

The Supervisors met at the home of Lester Weaver on Dec. 11, 1956 at 8:00 O'clock P.M. The following Supervisors were present - S. Weaver, C. Weaver and E. G. Williams. A letter was written to the Highway Dept. at Clearfield concerning the speed limit signs thru Lemont. but we haven't heard from it yet. The fall work has been pretty well taken care of including the snow fence.

It was decided by the board that we would get a different light for on the truck in place of the one we have. The light we have now about shows in front when the truck bed is up. We would have to get two on. If we get a self flashing light for on the truck it will ~~work~~ show both front + rear when the bed is up.

The commissioners have decided they will pay $600.00 toward the traffic signal instead of the $800.00 which they originally agreed to pay. The secretary was instructed to go ahead and advertise for bids for light. The board unanimously agreed to fix up the alleys in Lemont a little since some people use the alleys as the means of getting into and out of their properties. Mr. Elmer Ross has been after Mr. Lester Weaver to sell the Twp the alley beside his property. The board decided that we would not buy any alley from Mr. Ross.
