Lemont, Pa.
Apr. 8, 1958

The Supervisors met at the School House in Lemont on Apr. 8, 1958 at 7:30 O'clock P.M. The following Supervisors were present: R. Clauser, L. Weaver & E. Williams.

The spring work was discussed, the men are filling up holes on the roads and are starting to take down the snow fences. It was decided to get some stop signs and watch children signs, which we need several places. The people at Spring view are complaining about some dirt and rock that was left along the street when Garbrick put in his water line, we decided to notify Mr. Garbrick that he must clean it up and put the street back in the condition it was before. After a short discussion it was decided we would take over the street in the Keller development under the condition that it would not be black topped for a long time, it will have to wait it's turn. The secretary is to have a resolution drawn up for the street by the next meeting.

The board decided it would get a new Grader, one just like the one Patton Twp. got. The secretary is to get in touch with Mr. Beck of Patton Twp. so we can make arrangement to have the man who sold them their's to come and see us. We want to get it as soon as possible, so we can get at our grading. It was decided to have the old Grader fixed up so we can use the scoop on it to load dirt. The secretary is to have Mr. Frink the Twp. Engineer come in and help us get our road work set up for the summer.

Approved: Lester M. Weaver
Chairman

Elwood G. Williams
Sec.
