Lemont, Pa.

Oct. 20, 1955

The Supervisors met at the home of E. G. Williams on Oct. 20, 1955 at 7:30 o'clock A.M.

The following Supervisors were present, Lee, Walters and Williams. It was decided to check the roads for fall grading and grade all that needed it. It was decided that we would put up the snow fence as soon as we could find help to do it. The block topping of Walnut Lane was discussed and the Secretary was instructed to contact Nittany Materials and see how soon they were going to do it. We want to get it done before it gets cold. Lee was to see Bellefonte Motor Sales Co. about the Sunk, it seems we can't keep a clutch in it. Bellefonte Motor Sales was to check with the Co. about it and then let us know but we hadn't heard from them. Walters is to have all the snow fence posts fixed up that has bad ends. Secretary was instructed to order 4 Post Caps for driving Snow fence posts. They are to be ordered from S. A. Britt, Clearfield. The Supervisors discussed the possibility of purchasing a Power Grader, the Secretary was instructed to write to several Companies and get prices.
