The Supervisors met at the home of E. G. Williams on Aug. 7, 1956 at 8:00 O'clock P.M. The following Supervisors were present, Lee, Weaver and Williams. Our road work was discussed, it was decided to start the work about Aug. 20, 1956. The secretary was instructed to check on the following plot plans: Mitchell at Millbrook, Mitchell at Lemont, Spotts at Houserville and the Dale development.

The traffic light was discussed and it was decided that since the commissioners wont give us enough to paid for the light we don't feel we wont to spend the extra money for it, we can use that money other wise which is more needed than a traffic light at the Custard Stand, the secretary was instructed to inform the Twp. Engineer to that effect. Marvin Lee gave the board a check for $4.00 for some amasite he used on his drive-way. By agreement of the board it was decided to have Don Coble cut down the two big trees in front of Porters House at Houserville.

Approved Buckenhorst plot plan. The board decided not to ~~[illegible]~~ vacate road over the hill from Stubbs to Buckenhorst.

J. Marvin Lee presented a letter of resignation effected Sept. 1, 1956., his reason were personell and a heavier work load at his teaching job., he is principle at the Carl Street school. The board accepted his resignation with the deepest regrets. His knowledge of the Twp. problems will be greatly missed. The board will try to find some one to take his place by the next meeting.
