Lemont Pa.
May 12, 1959

The Supervisors met at the School House in Lemont on May 12, 1959 at 7:30 O'clock P.M. The following Supervisors were present. K. Clausen, S. Weaver & E. Walker. Other people present were members of the Planning Commission as follows, R. Scheirer, D. Weaver, M. Potter & K. Walker.

The planning Commission presented a bill for Engineering Centre Co. for aerials maps etc, the amount of the bill was $88.40. Weaver made motion that we pay the bill, the motion seconded by K. Clausen, motion unanimously carried. The Planning Commission wants to have a joint meeting with the board to go over the land subdivision ordinance that Mr. Getty drew up for us, there is a lot in it that we don't want at the present time, they thought we should go over it with them and Mr. Kontz for Engineering Centre Co. and take out the things we don't want in it and also discuss a Community action so we can control the Trailer Situation. It was decided we would meet Monday night May 18, 1959 at 8:00 O'clock and get this ordinance setting so we can get it passed.

On May 5, 1959 the Supervisors made their Spring road check, some of the roads are in bad shape and it is going to take a lot to fix them up. We are patching the blacktop roads now, there are some bad holes in them. The main road where Hutchison is landing fell down once it is getting bad. Mr. Hutchison said he would fix it all up after he was through hauling over it. The secretary was instructed to have Mr. Getty draw up an agreement for Mr. Hutchison to sign, say, he would fix up the road where he was through hauling over it.

Approved — Kay Clausen
