Lemont Pa.
June 9, 1955

The Supervisors met at the School House in Lemont on June 9, 1955 at 7:00 o'clock P.M. The following Supervisors were present: Walters, Lee and Williams. Guy Stearns present a petition for the Supervisors to take over Bottorf Drive, the street that runs thru his development at Houseville. It was unanimously decide by the Supervisors that we would take it over under the following condition that he first grade it and then cover it with 2" quarrie fill we don't know when it will get black topped it probably will be 3 to 5 years under the present plan. The traffic signal at the intersection by the Custard Stand was discussed. The commissioners are going to buy the light and install it and then the Supervisors will maintain it. The Supervisors unanimously approved the traffic signal for the intersection. It was unanimously decide by the Supervisors to notify John Gilliland to move his fence off the right of way at Oak Hall so we can build our shoulder along the new piece of road we built there. Mr. Lee is to check with Miss Gibbons about moving a culvert pipe on the back street of her development so she can run that street straight on thru.

The Supervisors unanimously decide to sell the old Grader to David Hamm for $10.00. It is no longer any good to us. It is too light and is wore out. It was decided since it rained that we would go ahead on grade all our roads.

Approved: J. Marvin Lee
