Lemont, Pa.

July 14, 1955

The Supervisors met at the home of R. C. Walters on July 14, 1955 at 7:30 O'clock. The following Supervisors were present, Walters, Lee and William. R. C. Walters reported that the Shoulder work was done on the newly Constructed roads and that they were ready for final inspection. The Secretary was instructed to have the Twp. Engineer come in and inspect the road so we could get in our final report on them so we could get our State matching money. Lee made a motion that we make a temporary loan at the bank of $300. so we could pay Nittany Materials for the FB-1 Bit surface, motion was seconded by Walters. Motion unanimously passed. We will pay off the loan when our matching money comes thru. The secretary was instructed to send Norm Kline a check for $3.00 for using his power saw to remove a tree off the Hassenville Road. Walters reported that he was grading all the Twp. Roads and was about finished.
