Lemont, Pa., Pa.
July 29, 1948 191

The Colley Twp. Supervisors met in the school house at Lemont, Elwood G. Williams, R.C. Walters and J. Marvin Lee were present, with R. Paul Campbell, Township Solicitor also being present.

A petition from the property owners of the community of Buddintown now named Bathgate Springs was presented and unanimously approved for shppelping fire hydrants by agreement with the Lemont Water Co.

Bids for 3000 feet of snow fence and 225 posts were opened and award was made to C.W. Houts of State College, Pa.

Bids were as follows:

C.W. Houts —	$649.50
Masters —	660.00
Hemung Supply Corp. —	707.25
L.A. Brett Co. —	816.75

The list of exonerations for 1947 tax as asked for by Chas. F. Rhodes, tax collector, was presented and unanimously approved.

Mrs. Heuszey of State College asked the board to install culvert along the mountain road at Lemont to provide an outlet for several lots owned by her. The Supervisors agreed to follow the customary practice of doing the work if necessary materials are provided by the property owner.

In response to notices sent to Elmer Lowder, J. Ralph Neff, and L.A. Witmer to be present for a hearing on the proposed vacation of the Township Road, part of Route 333, from Oak Hall to the junction with P.L.N. Route 322, they and the following persons were present: Mrs. Ralph Neff, Grace Whitman, Fred Mackereth and Lucy Garman. Jesse Klinger Bruce Struble, and Henry Gressler were present for the Supervisors.

(over)

(continued from previous page)

Mr. Campbell asked questions of each witness and the gist of each testimony was as follows.

J. Ralph Neff. — The road should be kept open because it is a short cut to State College,

L. T. Witmer — He may want to sell lots along the road some time,

Mrs. Ralph Neff. — She believes that it is about 5 miles to State College by either Lemont or Boalsburg and about 3 miles by Township Route 333.

Grace Whiteman — She would use the road to go to State College if it were repaired and maintained.

Fred Mackereth — It is the shortest route to State College from Oak Hall and he could use it in taking Mrs. Mackereth to work.

Lucy Gorman — Shortest route to State College and consideration must be made of the man hours lost by Oak Hall people in going to State College over the longer routes,

Jesse Kissinger — He believes the road is not necessary to the traveling public and that to the east end of State College and to Ag. Hill the road through Lemont is shorter,

Bruce Struble — Other roads in the Township are traveled more and the time and money should be used in maintaining them.

Henry Fresler — He gave the result of six days traffic count on the road.

Because of the failure to notify Gordon Kissinger of the hearing a final decision on the matter was postponed until Mr. Kissinger can be notified and be given a chance to testify.
