Limon, Pa.

Nov 15 1939

A special meeting of the Road supervisors, was called by the township chairman, for the purpose of meeting with engineers, Gaulin & Dunfar, of Clearfield, Pa., relative to proposed W.P.A. project. After considerable discussion by the three members of the Board of supervisors; and the engineers Gaulin & Dunfar, the board was unanimous in authorizing these engineers to proceed with surveying of route No. 378 starting at the junction of township route number 378 and State Highway #871 at Shiloh Lutheran Church *correction ~~and ending at bridge, across spring creek, at the John D. Wertz farm~~, also ~~and~~ township route number 359 & 374

Engineers to make the necessary ~~surveys~~ to enable them to show, estimated cost; and cuts, fills and drainage. This work, including flue prints and assistance in securing approval of W.P.A. to cost the township $150.00.
