Lemont, Pa.

July 17, 1956

The Supervisors met at the School House in Lemont on July 17, 1956 at 7:30 O'clock P.M. The following Supervisors were present, Weaver, Lee and Williams. The following property owners were present to discuss the vacating of the road over the hill from Stuble's to Buchenhorst; Clyde Stuble, Oscar Buchenhorst and Robert Chilcoat. Mr. Buchenhorst reported he had lots laid out on top of the hill and had one sold and prospects for more. Mr. Stuble reported that Jay also was going to lay out lots next to Buchenhorst. After quiet a discussion the board decided that if they stopped forming the road and if their plot plans met approval the board would not vacate the road. It was tabled until the next meeting at which time we will approve or disapprove the plot plan.

Bid on Traffic Signal was opened and then tabled until we contact Centre Co. Commissioners. The bid was $1090.20 and the commissioners had only set up $800. for it.

The bids on the FJ-1 and the oil & Chips work was opened and the job was awarded to Wilson-Benner Inc. they were the low bidders at $3663.64 - Lester J. MacDonald bid was $3805.48. Lewis Bazletts wants to buy 3 pieces of 12" I Beam, they are about 10 feet long each. It was decided by the board to let him have them for $20.00 since we have no use for them. The bridge at Oak Hall was discussed and it was decided to bolt a plank all the way along both sides of it. That will stop the planks from jumping up & down when trucks hit it. Lee reported that he would be ready to start the oil & Chips and FJ-1 work about the first of Aug. 1956

Approved:

Chairman Lester M. Weaver

Elwood G. Williams
Sec.
