Dec. 13 1957

The Supervisors met at the home of E. G. Williams in Lemont on Dec. 13, 1957 at 7:00 o'clock P.M.

The following Supervisors were present S. Weaver & E. Williams.

The fall work is all done, the snow fence all up. and everything is ready for winter. I wrote the Highway Department about the speed signs and got the following reply. We would have to buy the signs, put them up and enforce them. The intersection at Jay Strubles has been black topped. Our contract with Nitting Materials for the black topping of the Hanseville road has been paid in full. Mr. Gettig was to write Jay Struble a letter about the plot plan he has laid out on his farm which was never present to the board for approval., we still haven't heard from him. It was decided that we have Mr. Gettig write him another letter and give him a certain time to have it in.

Our next meeting will be held at the School House Jan. 14, 1957 at 7:30 o'clock.

Approved: Lester M. Weaver, Chairman E. G. Williams, Sec.
