The Supervisors met at the home of [redacted] Robt. Walters on Nov. 21, 1955, at 7:00 O'clock P.M. The following Supervisors were present, Lee, Walters and William.

Next Summers road work was discussed and it was decided to do some of it this winter when we can get cheaper rates on Equipment. It was decided to put a surface coat on the lower St. in Klinger Heights and the one St. in Bethgate Springs, we also decided to block Top part of the Houserville to Shiloh road.

The Supervisors discussed the possibility of buying a power tractor with a grader blade and scoop on it. Penn Central Supply Co. has one that is supposed to be in excellent condition for $1800. We are going to look at it and if it is what we want we are going to buy it.

Lee reported that he has the signs about all painted and ready to be put up again. The following resolution was acted on: Whereas, a Plan of Lots of Oakmont Park, prepared by H. K.
