The 1954 budget was presented and after a short discussion on it, a motion was made by Lee and seconded by Walters that we tentatively approved the budget for 1954 and if no objections are filed after being properly advertised it shall then be considered approved in final form.

A motion was made by Walters and seconded by Williams that we re enact the Amusement Tax Ordinance (7) for 1954, the motion was unanimously passed. There was a short discussion on zoning. The Zoning Committee is making good progress and will soon be ready for public hearings.

The law on land subdivision was discussed and we decided to table it until a future date.

The subject of widening the Whitehall Road was discussed and decided to do it as soon as we possibly can. The following Plot plans were approved; Guy Stearns; H. Mitchell at Hawersville and David McClay. Lee was instructed to check on all plot plans in College Twp. at the Recorder's Office in Bellefonte and find out if there is enough road or street right away to meet Twp. Requirements and if there is any that don't meet Twp Requirements, we will have them provide the necessary width to meet Twp. Requirement.
