The Harris Twp, College Twp. was discussed, it was decided to postpone decision on it until we find out who has to stand the costs. Lee, Weaver and our Solicitor Getty will attend the meeting on the line at Boalsburg Friday May 4, 1956 at 1:30 O'clock P.M. Mrs. Daniels & Mrs. Fitzgerald were present representing the P.T.A. on the Sidewalk. There was quiet a discussion on the sidewalk. Mrs Daniel & M. Fitzgerald present the petition they had signed. They had approx. 600 signers out of a total of approx. 1700 Tax payer in the Twp. which isn't near a majority of the Taxpayers in the Twp. After quiet a discussion on the sidewalk the following action was taken by the board. Lee made a motion that the Supervisors do not build the sidewalk, the motion was seconded by Williams, after a discussion the Supervisors voted on the motion. The Supervisors vote unanimously not to build the Sidewalk. There reasons were setting a precedent - not enough signatures and advice of our Twp Engineer. The Supervisors set a rate for the Truck of .08 per TON per mile. It was decided to take care of the Patching as soon as possible. Lee presented a picture and data on a spraying outfit. The price of the spraying outfit was $224.75, it was discussed and the following action was taken. Weaver made the motion that we buy the Spraying ~~and~~ machine, motion seconded by Lee.
