Lemont, Pa.
Dec. 7, 1954

The Supervisors met at the home of Marvin Lee on Dec. 7, 1954 at 8:00 O'clock. The following Supervisors were present; Walters, Lee and Williams. The following men were present from the College Twp. Lions Club; Guy Stearns, Joseph Baird and Lloyd Driver. The men from the Lions Club were present to discuss the possible of securing a Recreation Area for College Twp. There was a very lengthy discussion on a recreational Area. Possible sites and financing of an Recreation Area was discussed. It was decided to have committee for Various Clubs at our next meeting to discuss the Recreation Area. The Womens Club, the Lions Club and the P.T.A are all interested in getting a recreational Area for the Township.
Committees from the Various Clubs will meet with the Supervisors next Wed. Dec. 15, 1954 at 8:00 O'clock in the School House.
The Supervisors have decided that they couldn't go very high financially since we are pretty well tied up with our road projects. Several places have been suggested for a Recreation Area. Widening of the road between Shiloh and Buckenhorse was discussed. It was decided the have Central Paving do it and give them the dirt for getting it away. K.C. Walters was given permission to go ahead and have it done as soon as possible. The Secretary was instructed to send to the Highway Department for a picture of the White Hall Road.
The property owners petitioned the Supervisors to take over the Streets in Armour Village. Two of the Streets are only 30 feet wide but the resident are going to give the additional 3 feet necessary to meet the minimum requirement of 33 feet right of way and as soon as this matter is taken care of the Streets will be approved.
