Lemont, Pa.

Dec. 8, 1959

The Supervisors met at the School House in Lemont, Pa on Dec. 8, 1959 at 7:30 o'clock P.M.

The following Supervisors were present, R. Clausen, S. Weaver and E. Williams. Other present were Mr. J. H. Mitchell. Mr. Clausen reported the meeting with Boro Council pertaining to the new contract for fire protection starting the first of the year. The boro has jumped our fire protection from $975.00 per year to $1500.00 per year. Nobody at council seem to know who determined the amount it was raised. The council decided to table the matter for further study, they said they would let the Townships know their decision at a later date. We think they have jumped it too much. The Township Collier, Ferguson & Bolton decided to have a meeting and discuss the matter, the meeting was set for Dec. 16, 1959 at the Matterville School House in Bolton Twp. Mr. Mitchell was present to discuss some structure with the Supervisors. The snow fences are all up and the fall road work is in pretty good shape. We bought 3600 ft of new snow fence this fall, our snow fences is pretty good shape now.
