

MINUTES FOR ROAD INSPECTION BY THE COLLEGE TOWNSHIP SUPERVISORS
HELD ON SEPTEMBER 18, 1971

The Supervisors made their fall road inspection. All Supervisors were present. All roads were found to be in good condition.

After inspecting Big Hollow Road it was decided that we would have the curve near the Flory home widened as soon as we can get someone in there with heavy equipment to do the job. The rest of the road up to the Walford property will be widened this winter.

Respectfully submitted
