In discussion, Dargitz moved to amend Hartswick's motion to include November 21 and December 19 as the meeting dates because of the holidays. Hartswick seconded the amendment and the vote was unanimous.

Taricani moved that Lechner be appointed the Voting Delegate to the PSATS Convention to be held April 21 through 24 at Hershey, PA. It was seconded by Dargitz and voted in favor of by Council.

Beulah Houser was asked to distribute the Financial Interest Statements to Council when the statements arrive in the Township Office.

Council received a copy of a letter written by John P. Niebauer, Jr., President of Delta Quarries & Disposal, Inc., to Reed McCormick. Niebauer stated in his letter that the refuse picked up from Hills Department Store contained 100% recycleable material.

Lechner indicated that he had spoken with the Manager of Hills Department Store regarding the situation with Delta. Delta is under contract with Hills and empties the dumpsters only when they are filled. The Manager told Lechner that none of the trash is pre-sorted. The majority of the waste material is cardboard and plastic; however, there is some waste from the snack bar and the employees lounge. Damaged goods which cannot be sent back to the manufacturers are also discarded.

Hartswick suggested that a written statement be obtained from Hills and Niebauer stating exactly what types of materials are normally contained in the waste dumpsters.

Taricani stated that it should be determined whether the present Ordinance prevents recycling. Dargitz mentioned that the Ordinance was written long before recycling was popular. He stated that he felt the Ordinance needs updating and that COG should take a close look at it.

Both Taricani and Smith agreed that recycling is important and that it is not the intent to prevent it. Taricani suggested that Council obtain more information of the matter.

Smith asked Stewart to bring the matter before the Public Services Committee members.

Lechner presented Resolution 76-A which sets \$84.00 per year or \$7.00 per month as the rate to be charged for trash disposal. He indicated that the Resolution had been approved at a previous meeting. The Resolution was signed by Taricani (as Chairman when the resolution was approved) and the other Council members

It was moved by Dargitz and seconded by Hartswick to adjourn the meeting at 4:29 pm. The vote was unanimous.

Respectfully submitted,

C. Thomas Lechner
Secretary
