July 14 19 19

The Supervisors met at the School House in Lemont on July 14 1919 at 7:30 O'Clock P.M.

The following Supervisors were present, R. Glenn S. Weaver and E. Gilbert.

The following people were present at the meeting Jay Stahl - Bruce Stuble - Ronald Boal - Jr Boal - Glenn Stuble - Joseph Spotts - Oscar Buckwalter Mr. Waddle and J. N. Mitchell, These people were present at the meeting concerning the old Log Road that ran from the old John Glenn property Houserville to the Boyd Williams farm at Stuble.

Some of these people have had back along that old Log Road and are interested in selling it off but they had their lawyer check into the records at the Court house and there seem to be a question whether that road was vacated or whether it still is a Log Road. According to these people and the records they found this road was vacated in 1929 but in 1930 the Judge reversed his decision on it after a petition was filed against vacating it, they also held a hearing on it and all testimony at the hearing was recorded and a file.

The present Board has no way of knowing whether it is Log Road or not, it is not a State Log Road and we get no State aid for it. After a lengthy discussion the Board decided that we would have our Lawyer check into this matter for us. This road is known as the Mitchell Road. Other business acted on was. Glenn Stuble plot plan has been changed so that it will have 50 feet streets instead of the 33 feet that it had. The Board approved his present plan.

Our Lawyer has drawn up a bond and this pending is for the Bond and it is a lot simpler than the one he had originally drawn it.
