Lemont, Pa.

Feb. 10, 1959

The Supervisors met at the School House in Lemont on Feb. 10, 1959 at 7:30 o'clock P.M. The following Supervisors were present, K. Closser & C. Wilhelm. Leslie Swanson is in hospital and couldn't be present. The following people were present at meeting - Mrs. Heidel - Mrs. Daniels Mr. Hunt - Mrs. K. Houts Mrs. Hardy and Mrs. W. Sower.

The first order of business was the Ordinance on the Planning Commission. After a short discussion on the duties of the planning Commission the people present were polled and all were in favor of the ordinance. Closser made motion seconded by Wilhelm that we pass the ordinance on the Planning Commission, motion unanimously passed. Mrs. Daniels and Mr. Hunt were request by the P.T.A. on the matter of a pot hole Ordinance. The board has included 1000.00 in at budget for 1959 for police patrol. Mrs. Daniels & Mrs. Hunt were told they should have to get a petition of at least 25 signers to the board before they could take act on the matter. Mrs. Daniels said that wouldn't be hard to do and that she would go to work on it right away and get them to the board as soon as possible, so we could take act on the matter as a police is badly need for the school children in the morning.

Mrs. Daniels said the P.T.A. had a little money and that they might even help to partly furnish a police with a uniform. It was suggested that we might check with the State College Boro about hiring one of their police a few hours a day. Some of the people thought it would be better to have our own Police. The 1959 Budget was presented and on motion of K. Closser and seconded by Wilhelm it was tentatively adopted. Total Vouchers of $369.25 were paid for Jan.

Mrs. Heidel was on a water problem near the property of Millbrook and the Supervisors looked at the property and thought maybe we could run a ditch down thru the middle of the property but he objected to that so it was decided to meet with the at this property tomorrow morning Feb 11 and work something out with him.
