CALL TO ORDER

Chair Fryer called to order at 7:07 PM this date a Public Hearing on Ordinance O-12-09, Campus Signs. This ordinance was duly advertised.

ANNOUNCEMENT:

Chair Fryer announced that Council would meet in Executive Session prior to this Regular Meeting for the purpose of interviewing an ABC candidate.

Mr. Mark Holdren, CRPA Sr. Planner, reported that Ordinance O-12-09 would amend the College Township Code by revising Chapter 170, Signs, to allow for additional signage in and around large developments classified as a campus. The intent of this ordinance amendment is to permit certain types of development to provide better direction and identification of their buildings and services within their development. This ordinance impacts large developments classified as campuses in which additional signage will be permitted to allow greater flexibility in placement of directional signage, as well as increase the number of signs identifying buildings and/or entrances to such. This ordinance further aims to enhance the visibility of buildings by allowing the placement of wall signs at higher heights so that

buildings whose purpose is related to public safety will be readily identifiable from greater distances.
